

COST EPICATCH CA19125
Workshop

“Epigenetics of temperature & light responses in plants”

March 15th-16th, 2023
Volcani Center, Rishon LeZion, Israel

Free registration at the Epi-CATCH activities website
<http://6230751c6f201.site123.me/>

Session I: Temperature and light responses in plants

Session II: Plant epigenetic mechanisms

Session III: Epigenetic aspects of temperature and light responses in plants

Keynote Speakers

Martijn Van Zanten, Utrecht University

Pierre Goloubinoff, University of Lausanne

Nir Ohad, Tel Aviv University

Confirmed Speakers

Sophie Brunel-Muguet, INRAE

David Honys, Czech Academy of Sciences

Giora Ben-Ari, Volcani Center

Moussa Benhamed, University of Paris-Saclay

Eyal Fridman, Volcani Center

Ofir Hakim, Bar Ilan University

Yogev Burko, Volcani Center

Naama Segal, IOLR

Organizers

Michal Lieberman-Lazarovich, michall@volcani.agri.gov.il

Sotirios Fragkostefanakis, fragkost@bio.uni-frankfurt.de

Eirini Kaiserli, eirini.kaiserli@glasgow.ac.uk
