# WE'LL GIVE YOU A FEW RECOMMENDATIONS ON BEST SPOTS TO VISIT IN VILNIUS OLD-TOWN:

Vilnius Cathedral

## Vilnius Cathedral and Gediminas tower nearby.

These two are a few of the main landmarks of Vilnius. Best part? They're super close to one another and you can reach both of them on foot!

Gediminas Tower

## Republic of Užupis and Paupys market nearby.

Yep, you heard it right - Užupis is an independent quirky bohemian neighbourhood in Vilnius which even has its own constitution. Here are few excerpts from it:

- A dog has the right to be a dog
- A cat is not obliged to love its owner but must help in times of need.

You got the idea. Super friendly neighbourhood with cozy cafes, best pizza in town loved by locals (Užupis pizzeria) and spectacular view of Vilnelė river and Paupys market - offering hipster restaurants, bakeries and beer places - within a walking distance. It's a must.

Pilies street

Literatai street

## Pilies street and Literatai street

Strolling these two is a great way to experience coziness and not getting too tired for the rehearsals: Pilies street is full of medieval architecture and branches out in Literatai street where local artists revitalized it by art pieces.

## Žvėrynas and Vingis park

The 108 wooden houses of Žvėrynas give the district a special aura, and their transparent colours brighten everyday life. The wooden villas of the last century are still filled with the charm of those days.

As you walk around, you can easily reach Vingis park - the biggest park in Vilnius with loads of greenery.

HUNGRY AFTER ALL THAT WALKING?

WALKS ARE PRETTY GREAT, BUT WHAT CAN BE BETTER THAN A PROPER MEAL AFTERWARDS?

WE CARE THAT YOUR STAY IN VILNIUS IS PLEASANT, THEREFORE, WE'RE GIVING YOU A FEW RECOMMENDATIONS OF OUR MOST BELOVED PLACES.
