Who are we?

As a result of the cultural and social revolution in our modern societies, it was necessary for us to keep pace with the times and harness our experiences as lawyers with individual offices. Therefore, the will of an elite group of eminent lawyers in the Arab Republic of Egypt agreed to establish a legal entity that represents them and expresses their legal struggle for a period that, according to some, approached its third decade under the name **Ghally Law Firm**, where we provide an integrated and wide range of distinguished legal services and legal consultations that achieve the highest standards of quality and are characterized by professionalism, diversity and inclusion, relying on an elite group of Specialists and experienced lawyers and legal consultants with practical and cumulative experience, and using the latest legal methodologies, as our services are specifically designed to meet the requirements and needs of our clients.

Believing in our social and ethical responsibility, we pay great attention to actively contributing to achieving the lofty mission of the legal profession, which is establishing justice and preserving the rights and interests of our clients. Therefore, we are proud to provide our services to a diverse group of clients inside and outside the Arab Republic of Egypt.

Our vision:

Our law firm is a symbol of accuracy, dedication to work, and sincerity in performing reliable and pioneering legal services and legal consultations in the field, which has enabled us to gain the trust of our clients, whom we consider our partners in success and distinction.

Our message:

We are keen to provide distinguished legal care to our clients through an integrated legal system that provides specialized legal services efficiently and effectively to reach the best results that achieve the interests of our clients while preserving their privacy through optimal employment of the expertise and skills of the harmonious work team in our law firm according to the best and latest foundations of professional work so that we will always be at the forefront.

Our values:

We are fully committed to mastering the work entrusted to us to the fullest extent, as our superiority depends on absolute commitment and practical application of the values in which we believe, the most important of which are:

- Sincerity and dedication to work.
- Specialization, professionalism, and commitment to confidentiality.
- Integrity and transparency in all work procedures and steps and with all customers.
- Gaining customers' trust and ensuring long-term, strategic partnerships with them.
- Extreme precision, attention to detail, and high efficiency in achieving the client's goals.

Our legal services:

We provide a wide and diverse range of legal services and consultations that are distinguished by their comprehensiveness on different paths, which deal with all legal affairs of our clients and cover all practical and legal aspects of the client's interests and concerns, and can be summarized as follows:

- **Pleading and litigation:** where pleading and representing clients before various litigation authorities inside and outside the Arab Republic of Egypt in all types of cases (civil, commercial, labor, economic, criminal, personal status, administrative, military, and others).
- **Legal consultations:** providing the best legal solutions in accordance with the latest scientific and legal practices and foundations, based on a precise and deep understanding of the client's special requirements and full compliance with applicable laws, by providing legal and administrative consultations such as assistance in preparing and reviewing regulations governing work within companies. We also conclude annual consultation contracts with our customers.

- **Drafting and reviewing contracts:** We work on drafting and reviewing all types of commercial and non-commercial contracts and agreements in accordance with the laws and regulations applicable within the Republic locally and the rules and laws of international law and foreign countries globally, such as contracts (vendor, lease, partnership, non-disclosure, supply and distribution, memorandums of understanding and fit-out contracts). And others), according to client requirements in Arabic and English.

- **Establishing, registering, merging and liquidating companies:** where guiding the client to the ideal type of company he wants to establish, preparing articles of incorporation, following up on all necessary procedures for registering companies, obtaining their commercial register and tax card, preparing and approving minutes of ordinary and extraordinary general assembly's sessions, in addition to restructuring companies, including the formation of entities, their dissolution and operations. Mergers and acquisitions, and taking all necessary measures to liquidate companies.

- **Licenses:** Providing all services and legal consultations related to foreign investment, such as issuing licenses and commercial registrations, with high efficiency and effectiveness, ensuring the saving of time, effort, and money for investors, in addition to representing them before all official authorities within the country.

- **Registration of intellectual property rights, patents, and real estate property:** We provide the service of submitting applications for registration of patents, intellectual property rights, and real estate registration, and dealing with all entities regulating that. We are also keen to represent clients before various litigation bodies in defense in the event of a legal dispute regarding the applications submitted by our clients to register their rights.

Our clients:

We are proud of our valued clients, whom we consider our partners in success, and we are always keen to build and develop strategic partnerships with them, as our law firm offers all the advantages of famous law firms, in addition to personal service by paying unparalleled attention to the details of clients' issues, and the target groups that benefit from our specialized and professional services are divided into A variety of different sectors and fields inside and outside the Arab Republic of Egypt, as the distinguished reputation of our law firm and its distinguished lawyers has enabled us to represent a group of commercial companies and other members of society.
