Advisory Meeting Minutes
5pm-6pm

Present: Michael Bosby, Mark Evans, Jackie Bosby and
Jonhnelle Simpson

Michael Bosby(Mike) - Called meeting to order at 5:00pm. Mike explained the purpose of the meeting rather putting together an advisory. They he announced that Jackie would give the messages from phone calls to her.

Jackie Bosby-Said she sent out reminders for the meeting and Rick Dunn was going to come late, Alvan Sheats had a conflict with the date but was still interested, and Cloe had the wrong date scheduled.

Mark Evans- Introduced himself and explained what all he did at the career academy and how he think he can work with Mike

Mike and Mark decided they would join forces. Together they can actually make a state of the arts program that can give students several options with S.T.E.M./AV Technology pathway. They will basically learn from each other's which will give their students even more technology.

Mike will offer Film I and II to Marks gaming students so they can be prepared to take a virtual class. That Mark plans on introducing (I'm assuming) next year.

The idea would be they would have to take the Film II class to be able to take this virtual class, the benefit for Mike is the prerequisite to get into Film II is they have to take Film I.

Mark asked J Simpson about our group participating with the Advisory team at Athens Tech. J Simpson said he didn't see why not

It's agreed that the biggest problem is the counselors, now is it their lack of knowledge and full understanding of the purpose of the technical school? or they just don't care. Either way 96 students that signed up never got placed in any of the classes.

They also talked about creating an actual studio offering broadcast television to the Classic City students. They agreed to keep talking and I suggest we get back together right before the Thanksgiving break.. we scheduled a conference call for November 24th, 2017 at 7pm

Advisory Meeting

7:00pm

Recruitment & Outreach

Rescheduled January 24th, 2018

7:00pm

Conference Call - Minutes

On Call Michael Bosby, Alvin Sheats, Cloe Barnette, Jackie Bosby, not present Mark Evans, & Rick Dunn

Recruitment & Outreach

Everyone had a copy of the outreach proposal from Mike.

Alvin asked if the career Academy was going to use the idea, Mike explained he had presented and that Jackie had reached out to every Middle School and she reported what all of them had said.

Cloe felt that we should take it before the board

Mike explained that he had to go through the Career Academy and they had to approve or disapprove.

Alvin wanted to know what our purpose was if what we come up with won't be used, Cloe agreed and asked where was Mark

Mike explained he had been trying to reach Mark and haven't had any of his calls, texts, or emails answered.

Mike asked if it would be better to have the next meeting as a conference call and schedule a face to face before school is out.

Everyone agreed to the next conference call being in March. Cloe agreed to be the secretary and would call everyone with a date.
