
BITGARAM INTERNATIONAL EXPOSITION OF ELECTRIC POWER TECHNOLOGY 2018

October 31 – November 2, 2018

BIXPO 2018

International Invention Fair

<Exhibition Manual>

Global Inventor Zone

1. BIXPO 2018 Overview

1.1 Overview

- **Name** : Bitgaram International Exposition of Electric Power Technology(BIXPO 2018)
- **Date** : Wednesday, October 31 ~ Friday, November 2, 2018
- **Venue** : KDJ (Kimdaejung) Convention Center (Gwangju, Korea)
- **Host** : Korea Electric Power Corporation (KEPCO)
- **Events** : New Technology Exhibition
 International Invention Fair
 Energy Leaders Summit
 Smart City Leaders Summit
 International Conference
 Official events including Opening Ceremony
- **Host** : Korea Electric Power Corporation (KEPCO)
- **Participation** : 680 booths, 48 conference sessions and approx. 70,000 participants
- **Key Participant** : Buyers, entrepreneurs, professionals, academic and industry leaderships from research institutes, organizations, inventors' association

1.2 Schedule

Time	30th Oct (Tue)	31st Oct (Wed)	1st Nov (Thu)	2nd Nov (Fri)
09:00~10:00				
10:00~11:00	Opening Ceremony Multi Purpose		Energy Leaders Summit Multi Purpose Hall 1	
11:00~12:00				New Technology Conference
12:00~13:00	VIP Luncheon	New Technology Conference Convention Center Conference Room	ELS Luncheon	Exhibitions 1-3Exhibition Hall
13:00~14:00		International Invention Fair Multi Purpose Hall 2	New Technology Conference Convention Center Conference Room	International Invention Fair Multi Purpose Hall 2
14:00~15:00	Special Lecture	Energy Vally Job Fair Permanent Exhibition Hall	Energy Vally Job Fair Permanent Exhibition Hall	Energy Vally Job Fair Permanent Exhibition Hall
15:00~16:00	Smart city Leaders Summit Multi Purpose Hall 1			BIXPO Awards Multi Purpose Hall 1
16:00~17:00				
17:00~18:00				
18:00~19:00	Welcome Reception Convention Hall (4F)	Orchestra Concert Multi Purpose Hall 1	Cultural Night Multi Purpose Hall 1	
19:00~20:00				
20:00~21:00				
All Day		Tour (Technical Tour, Cultural Tour)		

2. Contact

■ BIXPO 2018 Secretariat

- Contact: Jay LEE / Taekyun KIM
- Tel: +82-70-4104-7770 / +82-2-3475-2662
- E-mail: inventionfair.bixpo2018@gmail.com

■ Host_ Foreign Booth

- Contact: Kwangjae Kim (KEPCO)
- Tel: +82-61-345-3756
- E-mail: kwangjae.kim@kepco.co.kr

■ Official Service Provider for Booth Installation

- Company: HSIND.CO., LTD.
- Contact: Gyuchul Chang
- Tel: +82-70-8672-5674
- E-mail: canmarine@naver.com

■ Official Service Provider for Rental

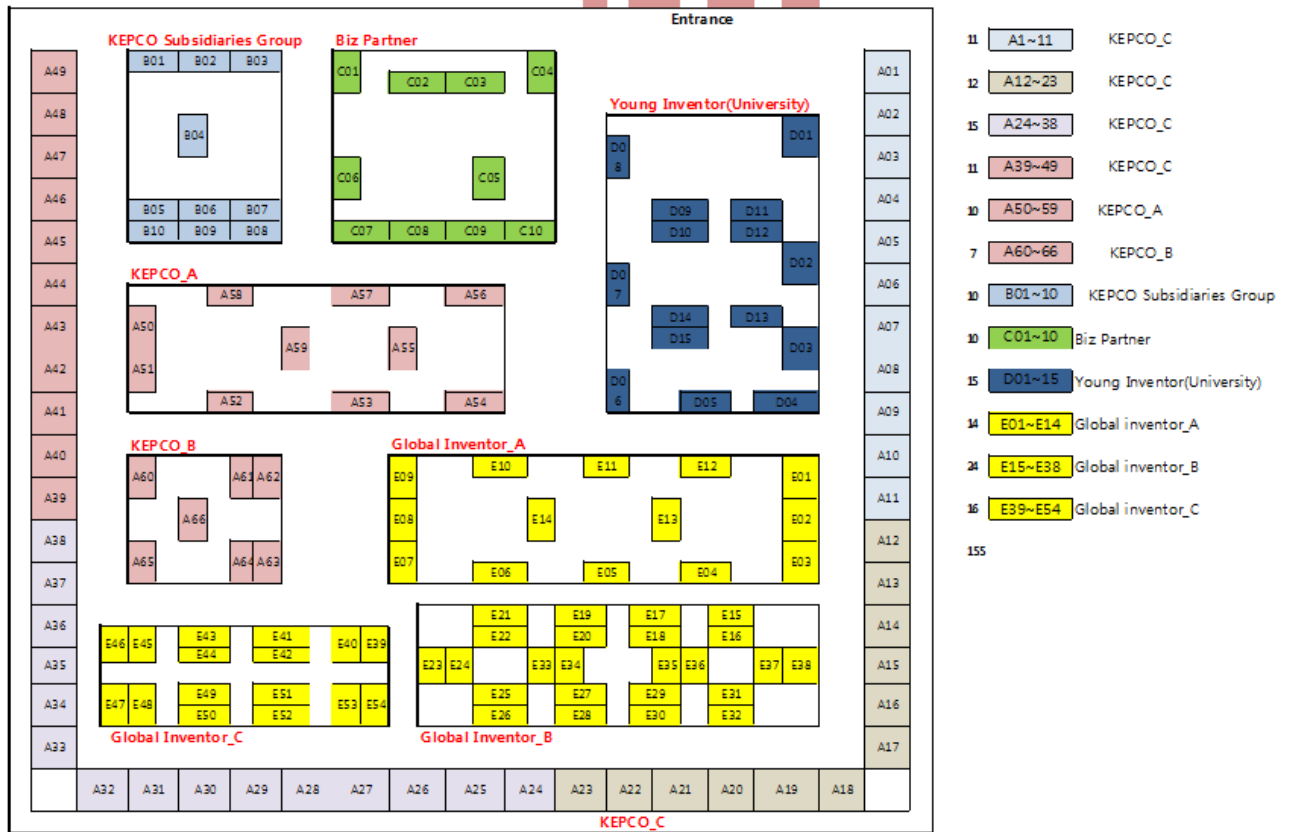

- Company: Modul.Co.,LTD.
- Contact: +82-2-6000-7560
- E-mail: modul82@naver.com

3. Set-up & Exhibition Period

Date	Time	Description	Note	
October 28 (Sun)	08:00~	Exhibitor Set-up & Marking		
	10:00~	Carrying of materials (vehicle entry)		
	08:00~14:00	Floor covering	Basic Package	
			Other facilities	
	08:00~20:00	Basic Package shell installation		
		Other facilities		
	08:00~20:00	1 st electrical installation	Electrical wiring	
Basic Package lighting and outlet				
20:00~	Exhibition hall closed			
October 28 (Mon)	08:00~	Exhibition hall open & Clean up		
	08:00~11:00	Floor covering		
	08:00~15:00	2 nd electrical installation	Electrical wiring	* 15:00~ Electricity Test .
			Basic Package lighting and outlet	
			Additional facility lighting and outlet	
	08:00~14:00	Basic Package signboard and information desk		
	08:00~16:00	Completion of basic package and other facilities		
13:00~18:00	Furnishing		*After 18:00 No entry of vehicles to the exhibition ground.	
18:00~20:00	* Furnishing Checking & Exhibition hall Closed			
October 30 (Tue)	08:00	Exhibition hall open & Clean up	* The Secretariat does not accept any liability for lost, stolen or damaged goods and equipment that the Exhibitor brings to the exhibition.	
	14:00~18:00	Carry in of exhibitor items and interior display Distribution of exhibitor badge.		
	18:00~20:00	Final checking & Finishing Completion of installation.		
October 31 (Wed)	08:00	Exhibition hall open (entry of exhibitors)		
	10:00~17:00	Exhibition hours		
November 1 (Thu)	08:00	Exhibition hall open (entry of exhibitors)		
	10:00~17:00	Exhibition hours		
November 2 (Fri)	08:00	Exhibition hall open (entry of exhibitors)		
	10:00~17:00	Exhibition hours		
	17:00~22:00	Dismantle and Move-out		

4. Floor plan & Exhibitor List

4-1. Floor plan

U.S.A.	E53	Shifted Energy	Nagai Seiichi Thomas
Yemen	E54	IFIA	Dr Mohammed Maysas and his freinds

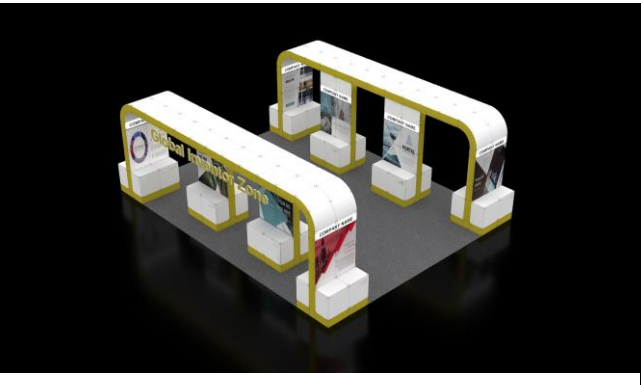

Global Inventor A

Global Inventor B

Global Inventor C

5. Applying Form

* Please submit forms through the e-mail address (inventionfair.bixpo2018@gmail.com) until Oct 17(Wed.)

Mandatory Forms	Options
1. [Form 1] Exhibitor Entry Pass	1. [Form 4] Facilities Application
2. [Form 2] Exhibition Directory	2. [Form 5] Parking ticket Application
3. [Form 3] Monitor Application	
4. [Enclosure] Graphic Guideline	

6. Graphic Guideline

* Please submit graphic file through the e-mail address (inventionfair.bixpo2018@gmail.com) until Oct. 17(Wed.)

<Graphic Size>

- **W1,500 x H1,500 (mm)**

-Please send Adobe Illustrator(AI) or Photoshop Document(PSD) format file.

※ If the file is AI format, please set the "Font Outline" in your file.

7. Power Supply (for lighting & equipment)

1) Installation

Installation of main trunk in booth and power supply for lighting, switch, outlet and illumination. Exhibitor must apply to BIXPO 2018 Secretariat separately for power use other than lighting.

2) Power specifications and notes

- Power supply inside exhibition hall consists of electricity over single-phase 220V. And three phase 220V. For those who need three phase 220V, please submit additional application. Also, exhibitor who use 110V, exhibitors need to prepare AVR or electric transformer separately.
- Exhibitors must apply for enough electricity by considering total lighting and electric power usages. Additional application of capacity of electricity is required in case of shortage of capacity of electricity during preparation period.
- In case of any damage including outbreak of fire in exhibition hall due to overload, the exhibitor should compensate Secretariat, KDJ convention center and neighboring exhibitors.
- **Please submit [Form 3]** for ordering electrical power for lighting and equipment and if you need additional order, please contact to BIXPO 2018 secretariat until October 17 (Wed.)
- The power supply will be supplied after completing inspection of the power supply is fully connected to the exhibition equipment and the safety inspection of the organizer, exhibition hall and contractor is completed. (Scheduled on October 30, 4p.m.)
- In case of emergency, power supply can be shut down by the Secretariat
- The booth electricity supply is automatically turned off after 30 minutes after the exhibition time.
- If you need electricity for 24 hours, please apply separately.

8. Internet Access

If you need to use the internet continuously, exhibitor have to apply for an internet connection in advance. You can apply through the attached word file **[Form 3. Additional Facility Application]**. Please prepare a PC with a LAN card for using internet. (50,000 won per line, VAT is not included).

9. Furnishings and Accessories

Furnishings and accessories are available to apply via BIXPO 2018 website with below the link.

Please apply it until October 17(Wed.)

(https://www.bixpo.kr/fairContents.do?FAIRMENU_IDX=4915&hl=KOR)

10. Waste Disposal

- 1) The exhibition area must be cleared of all exhibits / stands / materials (wood, vinyl, air packs, and construction wastes) by the exhibitor after the set-up and dismantling. Also KDJ center unauthorized speculation or neglect to waste disposal facilities or other places.
- 2) If exhibitors fail to clear up the area after the dismantling, the official waste disposing service provider will charge the exhibitors the cost of entire cleaning service. Thus, we encourage exhibitors to negotiate with the booth installation service providers prior to the set up in case of following installation
 - Exhibition materials and supporting materials carried into the exhibition ground
 - Materials brought in by the exhibitor to be installed in the basic assembled booth
 - Packing materials (paper, vinyl, bubble wraps, wood)

11. Noise Control

During the exhibition hours, loud noise caused by promotion events may cause hindrance. The sound should be held at a low level and the Secretariat reserve the right to determine at what point sound constitutes interference with others and if it must be discontinued

- If the noise level is above 85db measured by device
- If neighboring exhibitors complain about the noise
- Exhibitor who held an event or using exhibition hall path.

12. Other Notes

- 1) Congestion

Exhibitors must not participate in any activities that cause congestion at the exhibition hall, nor should they interfere with the booths nearby.

2) PR Activities

All promotional activities should be carried out within the designated area within the exhibition hall. Exhibitors are responsible for arranging the passage around the exhibition area in order to avoid congestion caused by public relations activities. Exhibitors must not promote or attract exhibits, conferences, exhibits or other marketing or promotional activities outside the exhibition area without prior written approval of BIXPO 2018 Secretariat.

3) Promotion goods

Samples and souvenirs can only be distributed by exhibitors within the allocated booth. However, companies that have acquired exclusive rights to distribute them at the BIXPO 2018 Secretariat can distribute them at the places designated by the organizer.

4) Recruitment of employees

During the exhibition, exhibitors are required to obtain prior approval from the BIXPO 2018 Secretariat in order to bring exhibits, sign boards and booklets related to the employment advertisement to the exhibition area.

5) Odor

Do not use instruments that smell.

6) Special exhibition

Exhibitors must not hold individual exhibitions before or after the exhibition period without the approval of the BIXPO 2018 Secretariat.

7) Exhibition time

The exhibition period, installation and demolition time is regulated by the BIXPO 2018 Secretariat, and booths can only be demolished after the official closure.

8) Sales

Exhibitors can't trade goods and cash in the exhibition hall. However, shipping can be done after receiving the order within the exhibition period. Exhibitors are obliged to be aware of safety and sanitation rules. Advertising and sales not authorized by the BIXPO 2018 Secretariat which are not permitted.
