Dear Mr. Mohammed Humran,

You are registered (PIN # 90102838) to attend the 2019 Annual Meeting of the American Association of Geographers (AAG), to be held in Washington, District of Columbia, USA from April 3 - 7, 2019. Your abstract "*Political Geography & Geopolitics of Arabian Nation*" has been accepted for paper session.

This professional and scholarly gathering of over 9,000 attendees will feature more than 6,000 presentations in over 1,700 sessions throughout the meeting. The AAG is a non-profit scientific and educational membership association founded in 1904. For over 100 years, the AAG has contributed to the advancement of geography through its publications, outreach, and its Annual Meeting.

We deeply regret that we are unable to provide any financial support for your participation. All attendees must pay their own transportation, lodging, and registration. We can offer you a warm welcome, and guarantee you will find a most stimulating program of papers, plenary sessions, and geographic field trips. Additional information about the meeting is available on the AAG web site (<http://www.aag.org>).

We look forward to seeing you in Washington DC.

Sincerely,

Oscar Larson  
Conference Director
