

TERM OF REFERENCE

1. Introduction

Nowadays science, innovation in science is a very valuable foundation for the development of a country. The best thing is if it has flourished and is familiar to young generation. The implementation can be done in 2 ways, namely competition and collaboration

As a form of concern for the development of Science and Research environment in the world, *Indonesia Scientific Society (ISS)* organizes an event named **World Innovative Science Fair (WISF) 2021**.

2. Implementation Instruction
