

2024 13th

**WICO** WORLD INVENTION  
CREATIVITY OLYMPIC

## INVITATION LETTER

**Dear. Mohammed humran**

Request for Participation in the 2024 13th World Invention Creativity Olympic (WICO)  
KOREA

We are delighted to invite you to the 2024 13th World Invention Creativity Olympic (WICO), which will be held in Seoul, Korea, from July 23rd to 24th.

As the world's first International Invention Olympics, with approximately 2,000 participants from 25 countries gathering annually to discuss and present their nation's science, technology, and invention techniques, you will receive the best treatment and experience from the Korean government.

As a member of Wiipa, a creative international scientific organization, we promise a free, safe, and happy experience.

The WICO event, which offers travel opportunities and the chance to win Grand Prix gold medals, is a major international event designated as a KUIA world scientific organization and is reflected in the admissions policies of American universities.

We cordially invite you to participate in the 2024 international event, WICO. The 2024 WICO Exhibition will be held at the Grand Hall of Seoul National University of Education. (<https://en.snue.ac.kr/en/main.do>)

Yours sincerely,

Ju hyung Lee

President of the Korea University Invention Association

## **-Details-**

- **Exhibition Period** : July 23 ~ 24. 2024
- **Application Deadline** : ~ June 15. 2024
- **Exhibition Hall** : Seoul National University of Education
- **Participant** :

### **1. Greetings**

Welcome to 2024, The 13th World Invention Creativity Olympic (WICO).

The 13th WICO will be held at Seoul National University of Education / Convention Center in Seoul from July23 ~ 24, 2024. We will provide maximum convenience to you who visit to participate in WICO.

Meanwhile, this event encourages creative ideas, provides new insights, accelerates one's creativity, improves presentation skills and establishes a global network. Besides, you can jointly research core technologies of the fourth industry in search of new items, and the company can become a global market leader of patent product transactions where buyers can promote products through consultation.

### **2. Contest Objective**

- To provide the participants with a platform for building synergies through communication and promoting healthy competition among them through communication from all over the world.

- To create a good opportunity for the students to know more about the university, the culture, and the Korean economy.
- To serve as an educational and interactive gateway for the youth to get inventive inspiration through international interaction.

**We are looking forward to seeing you at 2024 WICO.**
