

P-Square “Story Lyrics”

Yeah... yeah!....yeah!....
 Mmh.... Mmmmh.... Oh...No
 We are back again...we back again
 This time...
 I got a story.....story
 I got a story.....story
 This Na our story, story, story yeah!

Verses 1

See... see
 Twelve years ago when we started dancing
 Imitating, miming Michael Jackson
 They used to call us Paul and Peter
 We realize say P-Square better
 When our mates dey bubble, we dey huzzle
 To make sure our music go escape
 Us from trouble
 Then we dey try to understand why
 Some people are not the same
 From one competition to another
 Our mama use to tell us not to bother
 Cause we dey play, we dey sing
 We dey dance for the same shows
 eeh.....at the same time

Chorus

For all those people way de play our songs
 And all those people we dey write about us
 We love you – we love you
 We wanna thank you –we wanna thank you
 Cause Na so e suppose to be
 Can't imagine wetin life go be
 Without you....without you
 We wanna thank you – we wanna thank you

Verse 1

In the year two thousand and one
 Was a blessing and a lesson that shows
 We were progressing
 While in year two thousand and two
 Timbuktu came to our rescue
 While in year two thousand and three
 For everywhere.....
 Na our tapes and cds eeh!
 E never finish for santin city
 We go for Kora for South Africa eeh!
 We dey try to understand why...
 Some people are not the same....
 From one competition to another
 Again ... our mama use to tell us not to bother

Cause we dey play, we dey sing....
 We dey dance for the same shows eeh!
 At the same time

(Chorus)

I got a story.....story
 I got a story.....story
 This Na our story, story, story yeah....
 I got a story.....story
